Please Note: Coders may claim all of their CEUs earned from Core A, the technical side of professional medical coding. Core B, which addresses general business skills, can comprise no more than 33% (1/3) of the total CEUs earned per year. Therefore, if one core credential is held, 12 of the 36 total CEUs due every two years may be from Core B.

The CEU Code Card replaces AAPC Certificates for this event.

For your convenience, AAPC has approved the sessions for both a core credential and a specialty credential. You may use a specific session for your specialty CEUs and for your core credential CEUs.
